The Prince Sultan Bin Abdulaziz International Prize for Water is an internationally renowned scientific award. Established in 2002 by H.R.H. Crown Prince Sultan Bin Abdulaziz, PSIPW recognizes innovative research aimed at finding solutions to today's global water-related challenges. PSIPW is a non-profit non-governmental organization based in Riyadh, Saudi Arabia. It has special consultative status with the UN Economic and Social Council (ECOSOC) and permanent observer status with the UN Committee on the Peaceful Uses of Outer Space (COPUOS).
